Preview Party Benefits Novant Health Cancer, Heart, and Hospice Services

## Our greatest gift lies in giving.

Today, there are more than 14 million Americans alive with a history of cancer according to the National Cancer Institute. Nearly everyone has had a loved one or a friend touched by cancer.

I personally experienced cancer in my family with my father. We were blessed with the services of Presbyterian Hospital for over three years. Newly married, my wife Elizabeth and I made daily visits to the hospital during several of my dad's surgeries and treatments. We never realized how we would treasure those times later in our lives.

The entire staff at Novant Health Presbyterian Medical Center was remarkable. My mother was by my father's bedside for over two months and would not leave the hospital during one stay. From the nurses to his unbelievable doctor, Fred Vermeulen, we were in incredible hands.

My dad, a pharmacist, was caring and giving and known for mowing the grass in a crisp starched shirt and dress shoes. He died in May 1998 at the young age of 57. This was the start of my mission to help and find a cure for cancer!

An Estate Sale of beautiful treasures is about to take place at the historic Belk House at Presbyterian

Medical Center. The Estate Sale enables Novant Health Foundation Presbyterian Medical Center to continue and build on strategies to beat this terrible disease.

This is an opportunity to contribute to building on a century of innovative thinking and quality care. To take the nation's number one and number two killers – cancer and heart disease – and win. One of the many things that are in the development stages is an urgent care dedicated to the needs of cancer and heart patients in the Novant Health Heart & Vascular and Cancer outpatient facility. With weakened immune systems, this affords them the opportunity to not be exposed to possible sickness that could affect their survival.

You can make a difference by donating something to the estate sale such as antiques, designer items, art, porch and garden furniture, heirloom jewelry, lamps, vintage collectibles, and more. That attic find may not seem like much, but it can make a difference in someone's life.

You are invited to join us for a special evening of shopping, while you enjoy food, drink and music at one of Charlotte's historic landmarks, the Belk House. Friends of Novant Health are presenting special treasures from their homes to yours. For \$75, you

can join in the fun for the March 27th estate sale preview party.

Visit [NovantHealth.org/estatesale](http://NovantHealth.org/estatesale) to purchase your tickets.
