

Best Skin Care Products for the Summer!

We asked Graper Cosmetic Surgery for this season's must-have products to protect while rejuvenating your skin.

Check out these great finds to use all summer long (and year round) on the go!

BEST NECK REJUVENATION

Is your neck ready for summer? For a smoother, firmer neck, reach for Nectifirm. For a non-surgical lifting, harness the power of ultrasound with Ultherapy®. It's the only FDA-cleared procedure to non-invasively lift the neck, under the chin, the eyebrow – and improve decolletage lines and wrinkles.

BEST EYE CREAM

Look no further for the perfect eye crème. This is the ideal solution for under eye contouring, reduction in wrinkles, darkness and upper eye sagging, plus adds super hydration to give a noticeable lift to your eyes. You will love the way your eyes look.

DON'T FORGET ABOUT YOUR EYES THIS SUMMER.

Visit Sally's Optical Secrets for these fabulous sunglasses. Sally's is located at 1419 East Blvd., 704.342.0123, sallyopticalsecrets.com.

BEST COLLAGEN BOOSTER

Micro-Needling is a breakthrough procedure that boosts collagen and elastin production. The result? You can reduce years of sun damage, improve fine lines – including those stubborn lip lines – acne scars and reduce large pores and stretch marks. Best performed in a series of 3 to 6 treatments, Micro-Needling stimulates your skin's natural ability to repair itself. It works on all types of skin on any area of the face or body requiring cell regeneration or an intense repair process.

BEST SUNSCREEN

Get serious sun protection while treating your skin! EltaMD® broad-spectrum sunscreens are a must-have for your beach bag and every day use. They are formulated with a transparent zinc oxide and are noncomedogenic, sensitivity-free, fragrance-free and paraben-free. They protect against both UVA and UVB rays and come in a variety of SPF protections and formulations for skin types for both face and body. Available in tinted formula too.

BEST FACIAL SERUM

Control the aging process with this remarkable, hi-tech serum. It features BioJuv YC Complex™ that activates skin stem cells to produce youth skin cells using each person's unique genetic code. Your skin will look visibly younger in just a few weeks with a reduction in fine lines and wrinkles. Your friends will be asking where you got that beautiful glow!

BEST FACIAL PEEL

The Perfect Derma™ Peel is the perfect solution for total skin rejuvenation. Reverse signs of aging, age spots and sun damage, eliminate acne, melasma and hyperpigmentation and lighten and brighten your skin. Radiant skin will be revealed!
