

The Allegro Foundation Ambassador's Ball

There is more to this event than many of us know

The yearly Ambassador's Ball for the Allegro Foundation... a Champion for Children with Disabilities is an evening of incredible food, drinks, music, and festivities; yet there is so much more to this event that the impact from the money raised is felt throughout Allegro's entire year.

The Ambassador's Ball is crucial to Allegro's mission and Movement Education programs for children with disabilities which are held in over 23 locations throughout the Charlotte and Fort Mill areas.

The funds raised at the Ambassador's Ball helps serve more of Charlotte's underserved children living with disabilities. The Ball is Allegro's BIGGEST source of yearly funding.

The Ambassador's Ball is a wonderful venue to connect business to business.

Many people enjoy attending events that support charitable organizations, and while it is a wonderful time and full of good cheer, when guests of the annual Ambassador's Ball leave for the evening, they are rest assured their dollar is impacting this organization and its programs for children living with disabilities for the entire year.

The 7th Annual Ambassador's Ball honoring His Excellency Gary Doer, Ambassador of Canada, will be held on January 9th, 2016.

Please visit www.AllegroFoundation.net or call (704) 412-5229 for more information.
